## WHY CHOOSE VMI?

- Confidence in stock when you need it
- Eliminate overstock - save space and reduce inventory levels
- Save time and money with reduction in purchasing-related costs
- On-time scheduled deliveries and just-in-time (JIT) shipments, when you need them
- Emergency after-hours service for unexpected needs
- Entirely local VMI at your convenience
- Reporting and analytics
- Detailed usage by site, using area, or job
- Cost center and job identification

**WE WILL NEVER OVERSTOCK YOU. WE'RE IN THIS TOGETHER.**
