

MINING • HEAVY INDUSTRIAL

Mining is at the core of Copper State since its founding in 1972. Copper State's Manufacturing Division was specifically established to support mining and heavy industrial customers with capabilities to produce large diameter and specialty products.

Our combination of distribution, manufacturing, and VMI service operations ensure continuous uptime and support of your critical care equipment.

Whatever your operations may be, we are committed to providing you with quality products and outstanding services.

INDUSTRY SUPPORT

- Natural Resource Production
 - Aggregate
 - Copper
 - Gold
 - Gravel
 - Molybdenum
 - Oil/Gas Extraction
 - Pot Ash
 - Sand
