

# Industry - Municipalities

---

Copper State is a local business in every market where we operate. As a private, second generation family, women-owned business, we value the communities we serve and our connection to the municipalities within. We are well positioned to support the Federal, State, County, City, and Local/Town entities in each of the markets where we have a presence.

**Federal Contracts**

**State Contracts**

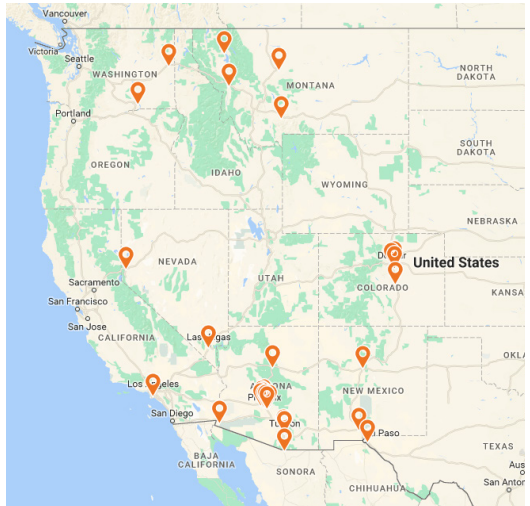

**County Contracts**

**City Contracts**

**Local/Town Contracts**

**Utility Contracts**

**Other Contracts**

**We are part of your community,  
and we want you to be part of ours!**

# Copper State Bolt & Nut Co.
